PROJECT

We wanted to give the brand a relatable and expository character by creating a coexistence between branding, geometry, typography and color.

Branding essentials and merchandising were created and customized for this project.

PANGRAM  
PANGRAM

# “Type Speciment Filter 001 / Editorial New”

A novel way to show Typography  
Specimens through Instagram filters.

In collaboration with @pangram.  
*pangram* we have developed an  
Intragram filter with one of its fonts,  
Editorial New.

We developed a new way to showcase typography specimens by using Instagram filters, creating the TSF concept (Type Specimen Filter).

# [03] PRIMIT

“1→2→3→Print.”

E-commerce for an online t-shirt printing company that offers the possibility of customizing your garment from scratch, in just 3 simple steps.

Design Cuchillo

1→2→3→Print.

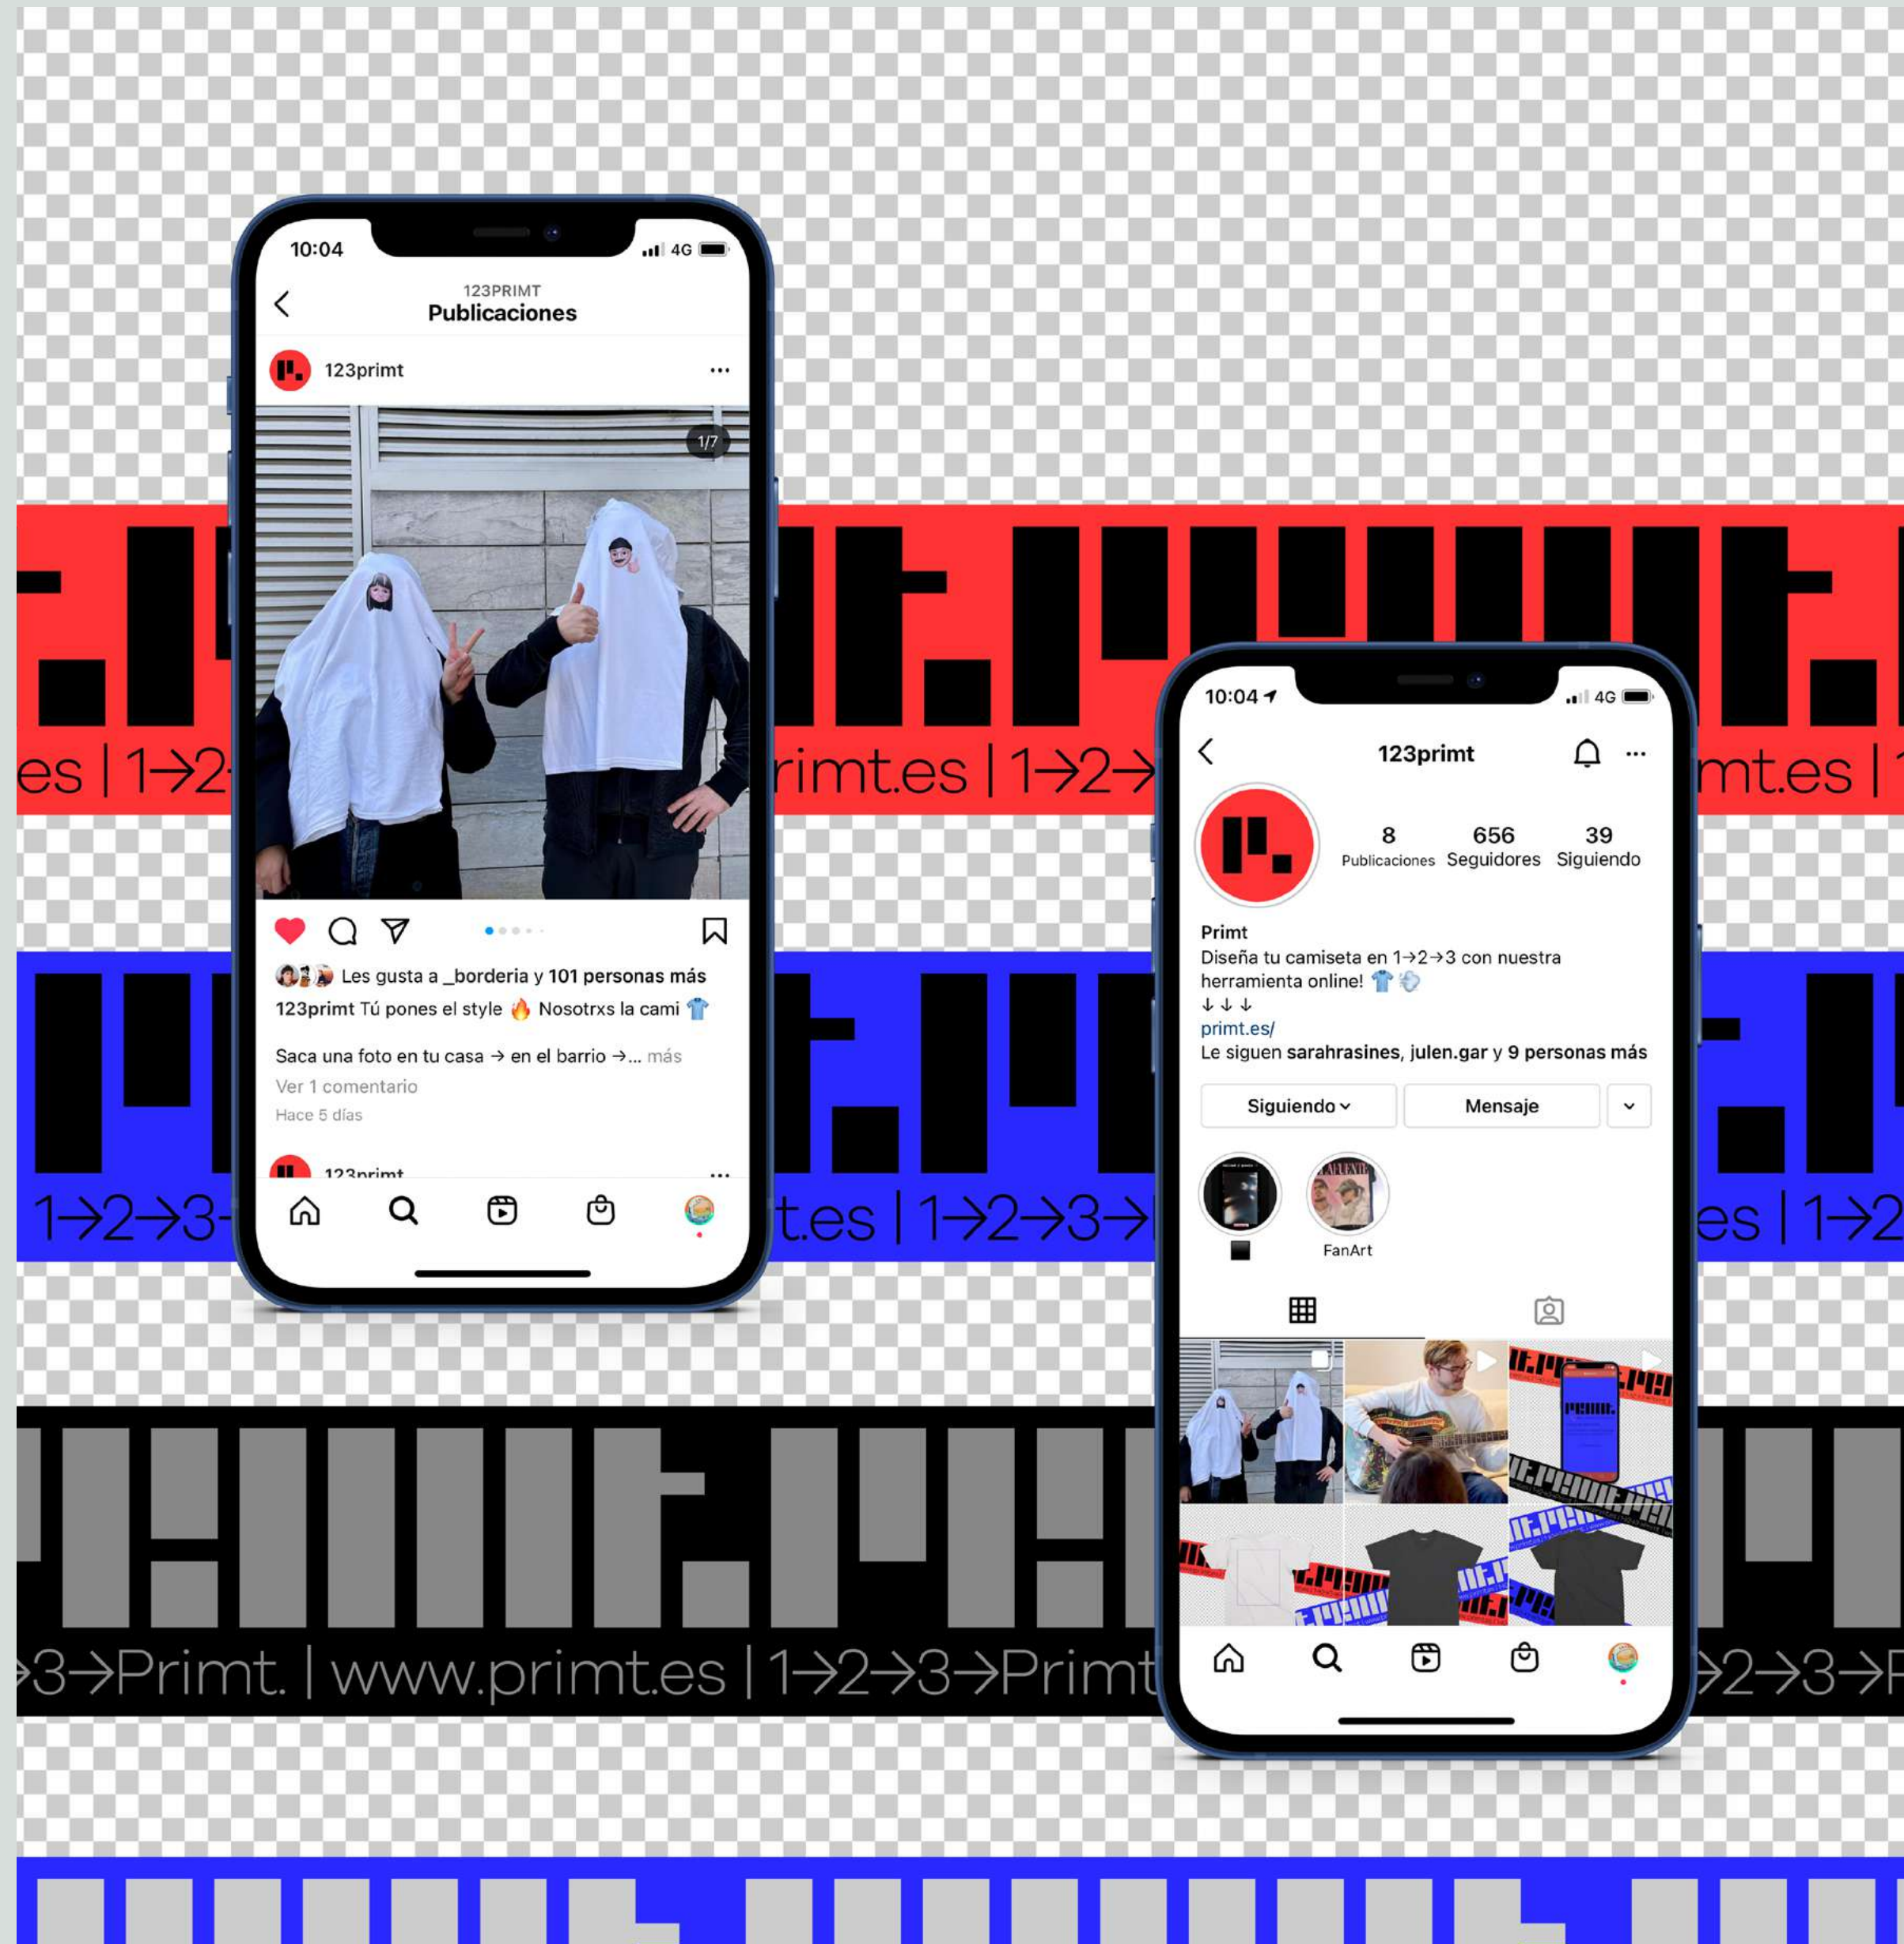

Inspired by graphic 'guitar' references of the 70's, 80's & 90's, we have built a sturdy and geometric logo.

For the backgrounds, textures based on the digital graphic representation for transparencies were used.

[04]

JAZMINO'S

# "Harmony between conceptual minimalism and detail"

A new vision of Middle Eastern food, with grill and pita bread as central axes.

Jazmino's

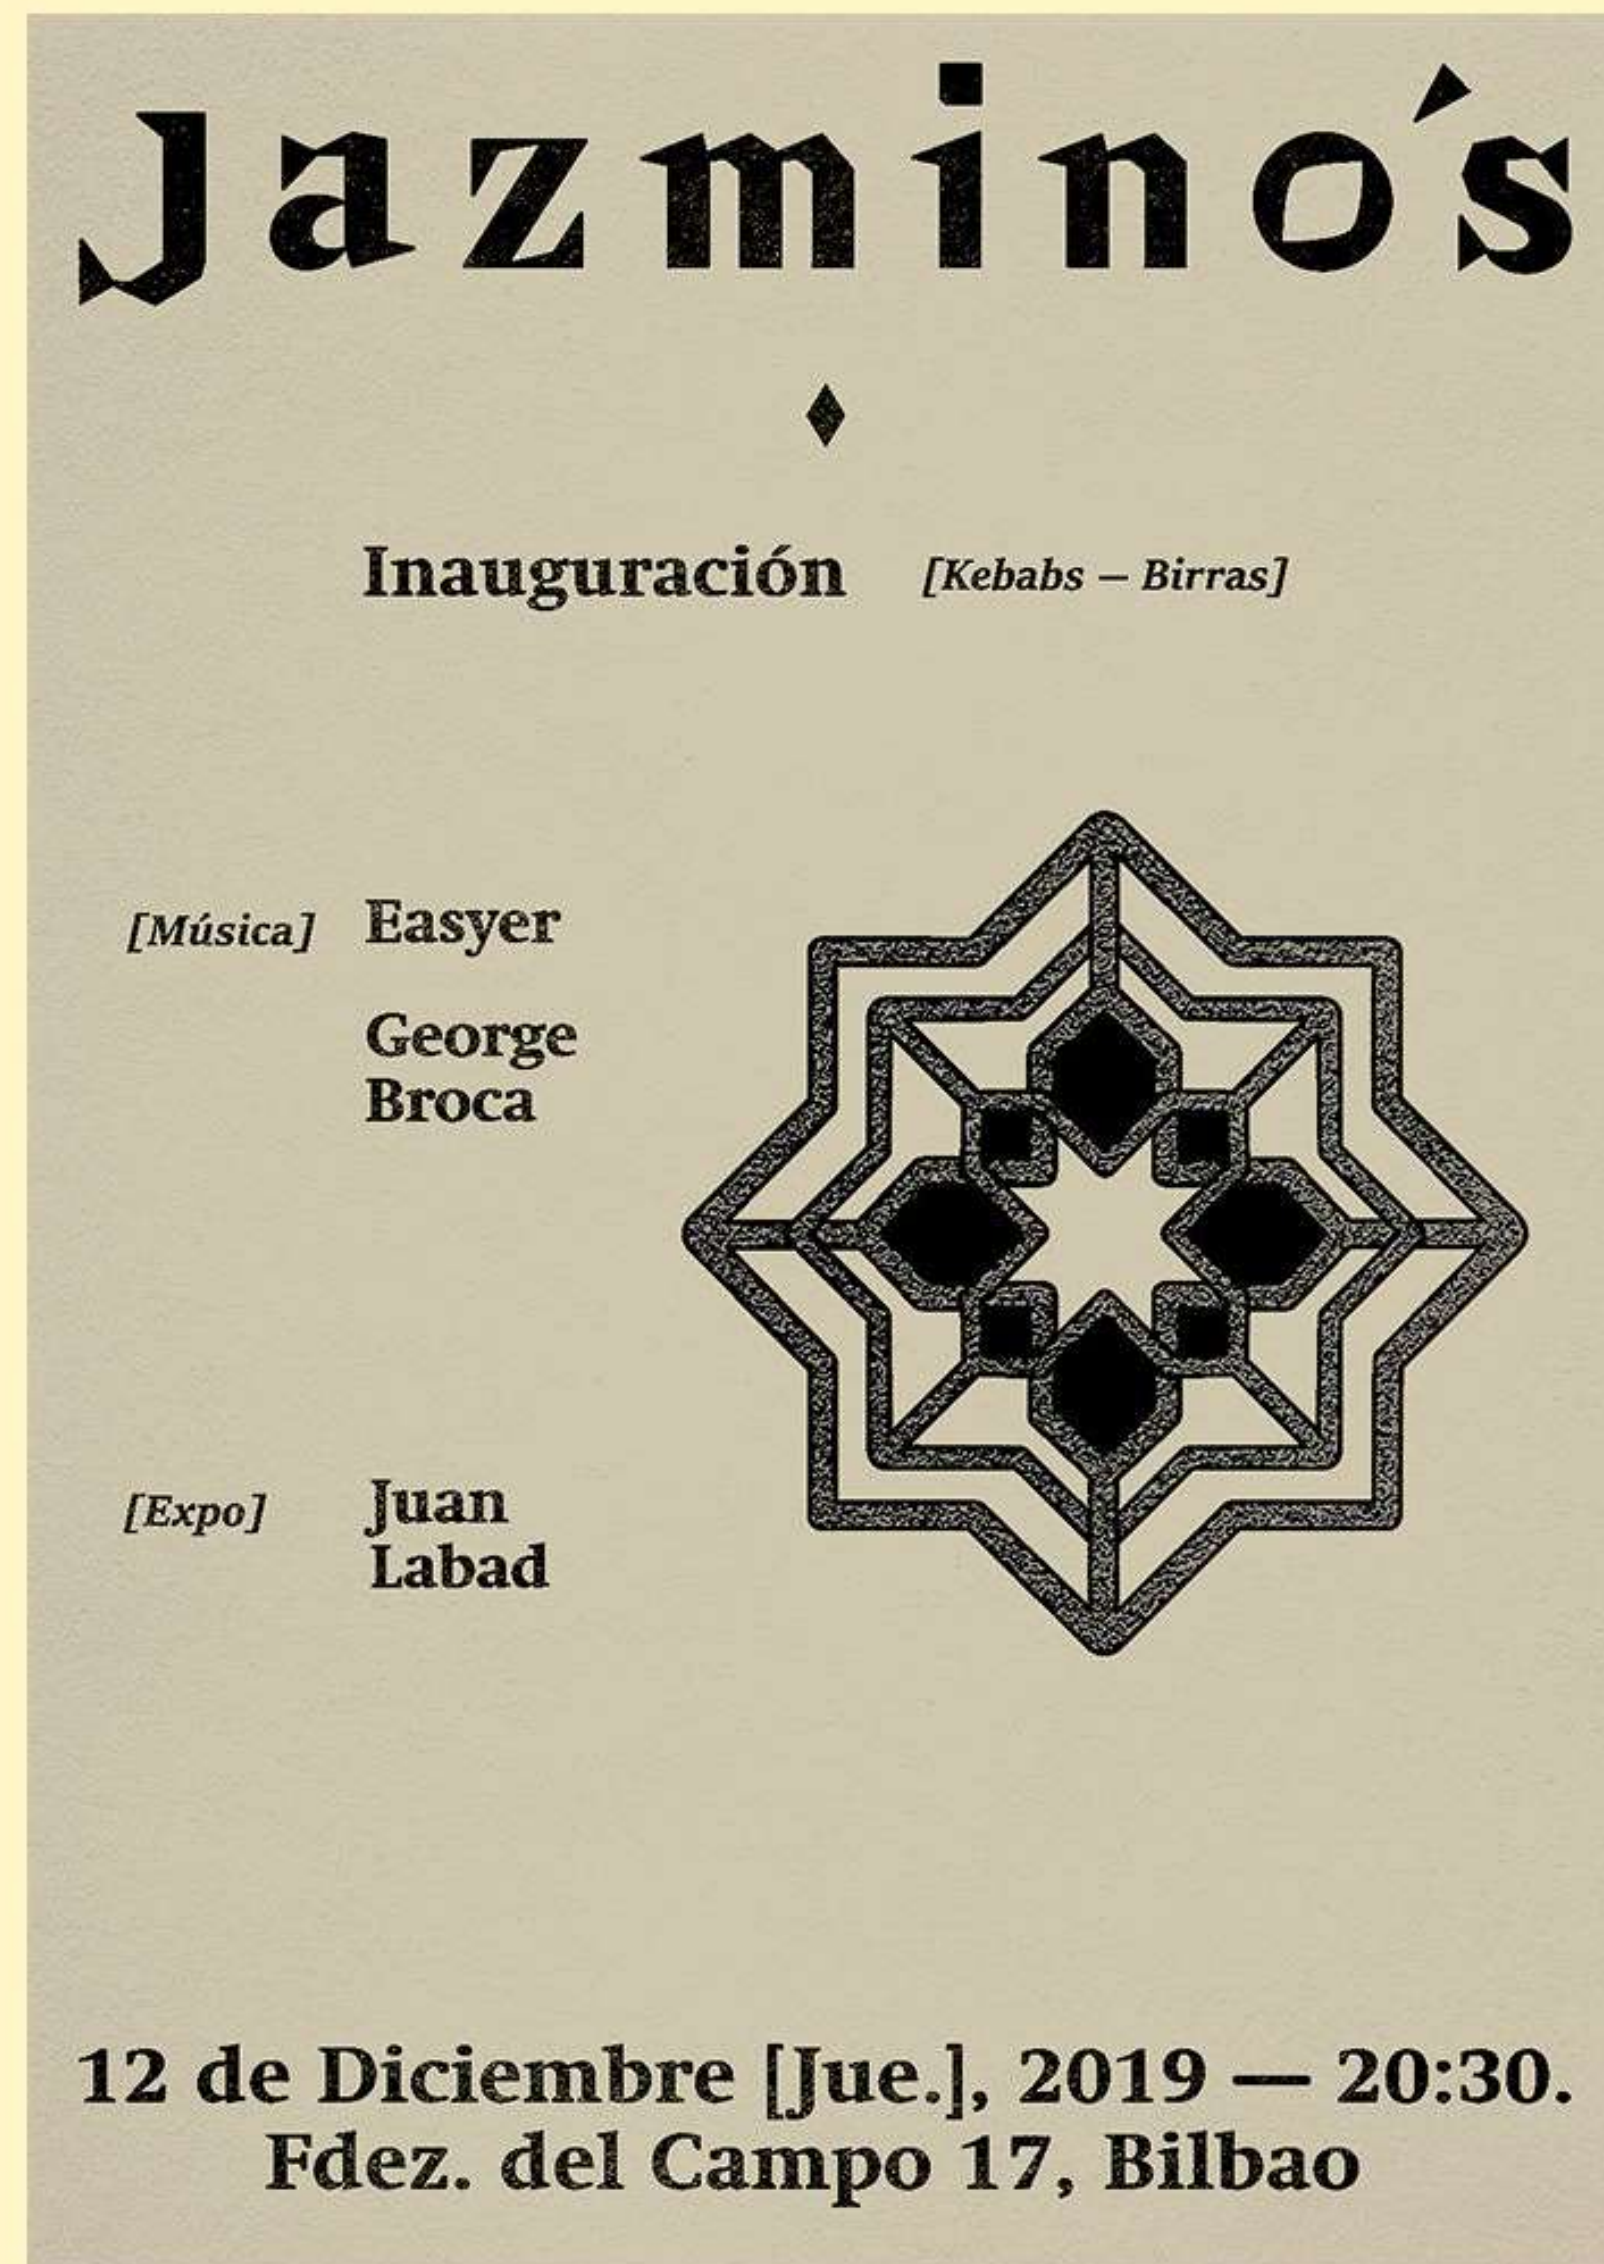

The brand image is extremely simple. Even so, each and every one of the characters that make up the logo are meticulously detailed.

We are happy that this very special place has become a landmark in the city and we're glad having been able to do our bit.

# [05] TIPI GARA

# “Design for transformation”

Multidisciplinary cooperative company that develops participatory processes seeking to transform conventional models.

Credits

Design Cuchillo

Tipi

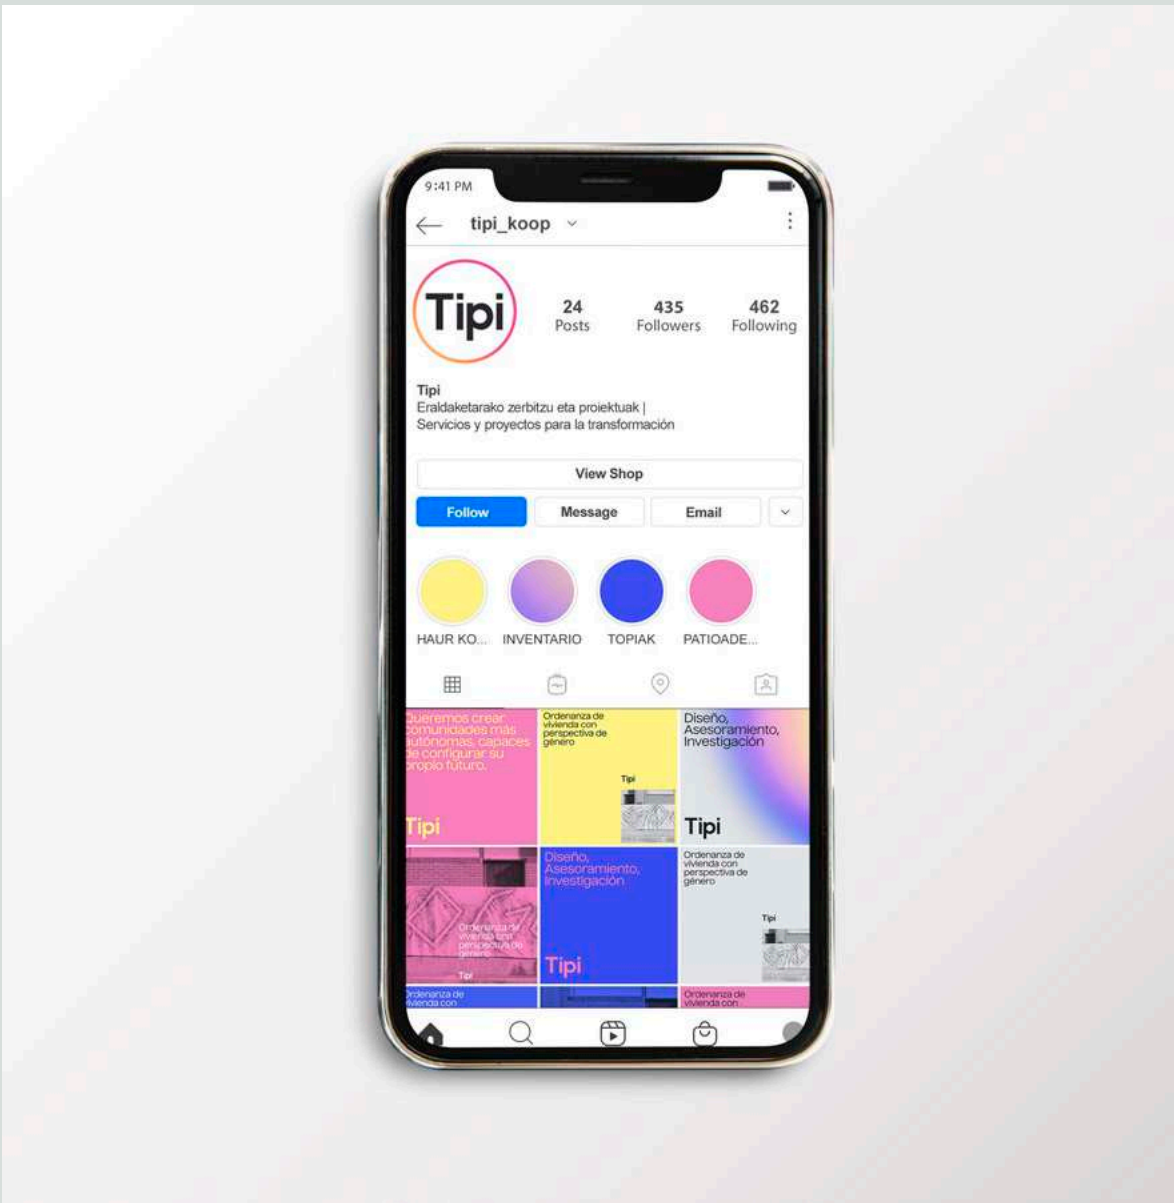

We have designed the new corporate image of Tipi, together with its respective adaptations for the web. It is a typographic proposal, using basic colors and organic shapes.

A sphere represents the graphic idea, which houses Tipi's various concepts to rethink spaces.

# [06] AZOKA ARTEAN

# “Art between markets”

Art exhibitions in traditional neighborhood markets, enabling disused spaces and premises.

KA

We worked the visual identity for a special project devised by the thinking minds of MARAKA; an Art exhibition in traditional neighborhood markets.

Based on typographic gameplay using the linguistic meaning of the event's name, the concept is developed through a color scheme which evokes basic emotions.

# [07] BASQUE TOUR VIDEO

# “Cuidar(los), Cuidar (nos)”

Spot for the campaign to support the Hospitality Sector in the Basque Country. The concept is about the noisy silence that invades our streets when bars and restaurants are closed.

We created almost static scenes of the empty places, describing the moments that we live in them as credit titles.

All of this, in contrast to the second part of the spot in which the opening of the Hospitality Sector lets us experience those moments again; with "cuidado" (care) as the central axis of this project.

# [08] DANDO LA BRASA

# “Chicha Pixel Style”

We share personal and gastronomic experiences through the culinary miscegenation that defines us.

DANDO  
LA BRASA

The entire identity follows aesthetics based on pixels, as well as fluor colors, designed to be used in large size.

The textures generated by brutalization of classic Andean patterns that can be found throughout Latin America.

[09]SD EIBAR

# “Another football”

SD Eibar is a special team in a world that is very different from the values it represents.

Credits

Design Cuchillo

We have spent several years designing the graphic style of the team. Here's a small sample of the 18/19 and 19/20 seasons.

# [10] GARAI

# "Special beers for special people"

The brand produces different beers depending on the season, using raw materials from the farm itself in order to give its products character and personality.

## Credits

Design Cuchillo

The graphic style seeks inspiration in the elements of water, hops, barley and yeast; essential elements for the elaboration of beer.

This second line of products are special beers in which each batch (represented by a number) shows a different basque farmhouse and has an original flavor that will only be produced once and in a limited way.

# [11] MAMÁ ABSURDA

"Life is absurd.  
Join the club"

Mamá Absurda is much more than a store; it is an ode to silliness and to mama's girl & boy.

## Credits

Design Cuchillo

mamá  
absurda

Color schemes and icons that represent the clients peculiar way of seeing life.

Customized typography, illustration, textures and color displays define the brand with a less conventional and more absurd way of communicating.

[12] ALOJA

# "Your maintenance partner"

Aloja solves incidents and maintains accommodation facilities in the tourism sector, promoted through its own app.

Design Cuchillo

aloja

Although the identity is all lowercase, its visual concept is bold and direct. The dot, the focus of attention, represents the problem that the company solves.

[13]

MATADERO

# “MATADERO MADRID”

Matadero Madrid is a contemporary creation center promoted by the Government Area of Culture, Tourism and Sports of the Madrid City Council.

## Credits

Design Cuchillo

For the visual universe of the web, the starting point was clear: a strong and rough system based on contrasts with a clear constructivist and rationalist vocation.

Black and white as the main axis. Noise in the photos that takes us to the "cinéma vérité". And an editorial design layout inspired by classic tabloids.

[14] BBK LIVE

# “BBK Live 2019”

Bilbao BBK Live, iconic international rock and pop music festival.

Credits

Design Cuchillo

The graphic image for BBK Live 2019 has been developed using concepts such as: nature, party, music, different environments, a special, magical place.

Based on powerful modular geometric shapes and basic colors (green: nature, red: Bilbao), the combination of elements makes up the brand identity.

[15]

CUCHILLO  
FC

# “CUCHILLO FC”

You don't have to know how to play football (soccer) to be a great team.

## Credits

Concept Joder Irene

Photography La Absurda Zurda

Design Cuchillo

A merchandising campaign made for an imaginary soccer team.

The main objective of the project is the call for attention through the rebellious act of breaking the established norms.

# [16] KALE ARTEAN

# "Discover the beauty of the ephemeral"

Festival of ephemeral artistic interventions in empty and / or disused premises in which to learn, rediscover, reflect, enjoy, feel, dream...

## Credits

Concept **Maraka**  
Design **Cuchillo**

Concepts of light, darkness and repetition of forms visibilize the disappearance of local commerce.

This was carried out using an 'eclipse figure', as well as with a background that is animated in a loop simulating a kind of 'distorted entrance' to create a sense of depth.

[17] AZAB

# "From A to B and A to Z"

Architecture studio that works with spatial systems, allowing to materialize its theoretical thoughts, through aesthetics that explore the margins between political, social and playful elements of life.

It's all about communicating and transmitting brutalist architectural essence where aesthetics and rigor come together to form a coherent political discourse.

The web has gone a step beyond brand image. Brutalism, typography, B&W, a home that drives you crazy and much more ;)

[18] BBBDW  
2018

# “Hyperdesign”

An event that aims to connect different users and profiles within the world of design.

Credits

Design Cuchillo

Portfolio Visual Identities

Understanding Hyperdesign as a broader vision of all design disciplines; it is about assuming experimentation and risk to discover new languages and meanings.

The graphic line is inspired by Bauhaus design, using basic colors, shapes and fonts.

[19] THE XX

# “The XX: Young Turks”

Night + Day, “The XX”'s festival celebrated in their favorite places around the world through collaborations with local artists and communities.
